Illinois SkillsUSA CONTESTS – CODES – ETC.

This list is to be used when registering members for written qualifying exams or as contestants or other participants at the Illinois SkillsUSA state conference.

IMPORTANT NOTES: **"T" = Contest that requires a Written Qualifying Exam (See Bold Printed Titles Listed Below).**

"S" = Contest that is offered only at the state level. "N" = Contest that is offered at both the state and national levels.

"STATE LEVEL ONLY" contest rules are different from national level contest rules. Some "STATE LEVEL ONLY" contests have names that are similar to the names of national level contests. It is recommended that Advisors study the rules for similarly named contests before registering students for one of them. **A number following the T/S/N codes indicates the number of members for that team contest. Read the "7.8 Team Competition Registration Form" on the Illinois SkillsUSA website for team contest details.**
