Advisor Responsible for this Form

Advisor's School's Name

Area Code -- School Phone #

Instructions: This form is to certify that the contestants named below have received safety and operating instruction for Diesel Equipment Technology equipment and have demonstrated knowledge of the operation and safe use the following tools, equipment, and machines: Oxyacetylene Welding, Electric Welding, Metal Grinders, Drill Presses, Hand Tools, and Hydraulic Systems. This is also to certify that Illinois SkillsUSA, National Skills USA, the State and National Technical Committees and all judges are released from all responsibilities relating to personal injury to the contestants resulting from their participation in the contest. Failure to provide this certification via this form, falsifying this certification, or using the tools, equipment, or machines in an unsafe manner will disqualify the contestant from State and National competition in the Diesel Equipment Technology contest.

Complete this form for all contestants being registered for the Diesel Equipment Technology contest.

Only give names as they appear on the National SkillsUSA Roster.

Send two (2) copies of this form with all other pertinent forms directly to the Conference Registration Consultant.

NOTE: THIS FORM WILL BE RETURNED TO THE ADVISOR IF ANY SIGNATURES ARE MISSING OR THE FORM IS NOT TOTALLY LEGIBLE.

Diesel Equipment Technology Contestants	
<p>The contestants listed below are fully aware of, in compliance with, and agree with the stipulations described in the "Instructions" given above.</p> <p><u>TYPE OR VERY LEGIBLY PRINT IN BLACK INK</u></p>	<p><u>The signature of the contestant indicated to the left must be placed below in black ink.</u></p>
1.	1.
